

TERMS OF USE

Copyright

All content - text, graphics, files, images and anything else published in any digital format - on the Site are protected by copyright (Articles. 65 and 101 Law April 22, 1941, No. 633, as amended). The trademarks of products or services on the site are quoted with the permission of the respective holders of the right to trademark, patent and/or copyright, 3dmsrl.com is still available to regularize, with appropriate references, any deficiencies that escaped editorial control.

Use of published material

The documents, images, videos and any other archive on the site in any format may not be downloaded for personal or commercial use: therefore nothing, not even in part, may be copied, modified, distributed or resold.

Any commercial use will be subject to prior authorization to be forwarded to 3dmsrl.com.

The publication on other sites (with the exception of those for commercial purposes for which it applies as described in the preceding paragraph) of such material, even in part, is permitted only if accompanied by clear citation of the source, with express inclusion, at a minimum, of the link to the official address of the site 3dmsrl.com.

Use of the Site

3dmsrl.com takes the utmost care in the quality of the information published. Nevertheless, in relation to the wide variety of sources used, both internal and external, and a large number of pages available, it should be borne in mind that with the passage of time the information may lose its validity and reliability. We, therefore, recommend that you check the date of the last published update if any. In no event shall 3dmsrl.com be liable for any damages whatsoever caused directly or indirectly by accessing, inability to access, or use of the information contained herein. 3dmsrl.com reserves the right to change the content of the site at any time without notice.

Forwarding to external sites

3dmsrl.com assumes no responsibility for the content of sites that can be accessed through links within the site, provided as a service to users. Their presence does not imply approval of the content presented nor any form of assurance about the quality of services or products available there.

Privacy and use of cookies

3dmsrl.com ensures that the processing of data received via e-mail or electronic forms complies with the provisions of the Privacy Policy.

Newsletters and services

The newsletters and services provided are based on a voluntary subscription by users, follow the above-mentioned privacy legislation (read the privacy policy).

In case of problems, abuses, violations, please report them by e-mail to the editorial address on the front page.

Computer viruses

3dmsrl.com has an antivirus system, which is updated periodically: given the many ways of transmission of computer viruses and their rapid propagation 3dmsrl.com, however, assumes no responsibility for any damage caused by the transmission of undetected viruses.

E-mail to 3dmsrl.com and its affiliates

E-mails sent to 3dmsrl.com addresses and listed or generic facilities will be forwarded to the appropriate department as soon as possible, with a copy to the sender. Please keep in mind that it is not always possible to determine the exact jurisdiction or to retrieve all relevant information on time. In the absence of a reply, please consider the possibility that the e-mail may not have been delivered, for example, because it was filtered by the antivirus system.

Protection of privacy

Personal data provided for access to services are processed as specified in the (information note) in compliance with art. 13 of Legislative Decree 196/2003.

Contact details

For suggestions and reports, please refer to the contact details given in the footer published on the front page of the www.3dmsrl.com website.

Information pursuant to EU Regulation No. 679/2016 on the protection of personal data
(Personal data protection code)

In compliance with the provisions of EU Regulation No. 679/2016 on the protection of personal data (Personal Data Protection Code), 3dmsrl.com

Controller of the processing of personal data provides the following information:

- the processing of your personal data is aimed solely at carrying out the services offered by the site.
- the processing will be carried out by persons specifically charged with this task, using computerised procedures, able to protect and guarantee the confidentiality of the data provided, and in the manner and within the limits necessary to pursue the aforementioned purposes;
- the provision of data is necessary for the performance of the above service;
therefore, failure to provide such data will make it impossible to provide the service itself;
- the data provided may be processed by the Manager and by the Persons in Charge;
- the data will not be communicated to third parties;
- interested parties may exercise their rights to obtain confirmation of the processing of their personal data, to ask for them to be corrected, updated and deleted, if incomplete, incorrect or collected in breach of the law, and to oppose their processing for legitimate reasons, by addressing their requests to the Data Processor;
